BUMLING MINI

"It's like a big boulder, Anders!" a friend of designer Anders Pehrson is believed to have said, when he saw the new pendant lamp at the lighting exhibition in Gothenburg in 1968. The lamp was bulky, British racing green and 60 cm in diameter. This was the birth of Bumling, a Swedish design classic. Now we are re-releasing the classic in two original sizes, 190 mm & 250 mm.
