OLLE 2010

By the 1960s, the development of luminaire series had become an important cornerstone for ateljé Lyktan in the launch of new products. Now, Olle Anderson has created a lighting series for corporate environments, the assignment for which was to develop a series of luminaires with good lighting, with designs that allow flexibility of use. Allow us to present Buzz - a luminaire series in four variations.

Buzz is available in ceiling, pendant, table and floor models and comes in five different colours. The lampshades are lacquered in colour with white foil on the inside. The table and floor stands are made of chromed steel. "The material and finish were selected based on the design traditions of ateljé Lyktan," says Olle Anderson. "Designs that last".

The construction of Buzz is simple, which makes it easy for the user to assemble and use. All luminaires in the series are equipped with an E27 screw-base socket and a LED bulb included.

Buzz is a series of luminaries that provides good lighting, and is designed for flexibility of use.

Technical details

Buzz

Material	Body in metal laquered in matte white. Colour laquered aluminium shade with inside in white foil. Buzz Table and Floor: Stand and footplate in chromed steel.
Installation	Ceiling: Screw fixed surface ceiling. Key-hole. Pendant: Hook suspension in canopy.
Connection	Ceiling: Snap-in terminal block 3x2.5 mm ² in canopy. 1-phase through wiring possible. External cable needs a hole in canopy. Pendant: 2.5 m 2x0.75 mm ² feed cable in white textile, halogen-free. Lamp plug in canopy. Table and Floor: 2 m 2x0.75 mm ² feed cable in black halogen-free with plug.
textile, Colour	Black RAL9005, White NCS S0500-N, Turquoise NCS S3030-B30G, Salmon pink NCS S2040-Y80R, Dusty purple NCS S5040-R30B.
Other	Including LED light source max. 28W E27. Colour temperature: 2700K.
