TIME FLOOR / TABLE

Bengt Källgren's latest mobile addition to the Time family is set to light up the office and business world. It will illuminate the media and medical world, transforming spaces, both old and new. Since 1969, Bengt Källgren has worked with light planning for different types of environment, and in particular public spaces. Bengt has been running his own business since 1975 in light planning and design.

FLOOR

TABLE
